Integrlicity's monthly newsletter offering goodies, special offers, tips and tricks, useful articles and latest news about Integrlicity and its services.

Welcome message from Sonia Zuzartee Project Executive Integrlicity Corporation

We're having an exciting month at Integrlicity. Apart from fantastic Friday lunches, some interesting new projects have walked in our door.

The first is a campaign which invites couples planning to wed to compete with other couples in an elimination-style contest for the grand prize... A wedding with *all* expenses paid!

We're also looking forward to developing a music portal which will allow musicians to upload their previously unreleased music for users to purchase. Users will also be able to save all their music online so they'd never have to lug a hard drive around again!

Another project in the works is a restaurant guide portal which will offer restaurateurs, their partners and diners awesome deals. Truly a win-win-win situation.

We're all fired up and ready to up the creative ante!

Fanatically yours,

Sonia Zuzartee
Project Executive
