Integricity's **monthly newsletter** offering goodies, special offers, tips and tricks, useful articles and latest news about us and our services.

Welcome message from Eric Cheong Vice President, Business Integricity Technology

Before you know it, the last quarter of the year's here. Time to review those New Year's resolutions! How've you been doing with that 10 kilos you wanted to lose, that sales target you wanted to achieve, or the improved financial management you promised yourself?

Good, we hope!

Integricity Technology's resolution is to move up to greater heights and continue providing Fanatical Service to our clients. In conjunction with our

51st National Day, we're having our annual Merdeka Domain Name Sale! Our Dedicated Server Hosting Plans are also going for a low low monthly fee of only RM599! There's never been a better time than now to enjoy great savings, so contact our Fanatical Service Support Team to find out more!

And while we're at it, we'd also like to take the opportunity to showcase our brand spankin' new websites! Check them out [here](#).

What an exciting year it's been so far! Thank you for sticking with us all the way - we really, truly appreciate it.

Happy 51st Merdeka Day!

Fanatically yours,

Eric Cheong
Vice President, Business

TheBackpackr.com launches By Alex Lam

This month, I've launched my personal video blog called TheBackpackr.com as a month-long experiment. It aims to use the technology we preach at work as a playground to learn (and fail). After all, we do get left behind in this ever-changing-never-waiting world of technology.

Facebook Facelifted By Alex Lam

I was greeted with a new light blue bar running on the top of my browser window which said... "The New Facebook is Here".

Are all USB drives created equal? By Eugene Lim

I'm sure the first thing everyone thinks of before buying a thumbdrive/pendrive/flashdrive is how big the storage is and how cheap it cost. However just because they all look almost the same, has the same familiar USB port means they all perform the same.

Read on [more](#) to make sure you getting more bang for your buck.
