Integrity's **monthly newsletter** offering goodies, special offers, tips and tricks, useful articles and latest news about us and our services.

Welcome message from Sarah Lam

"Ubah gaya hidup!" That's one of the mantras in our office, which translates to "Change your way of life". Although the price of petrol has been dropping over the past few months, it has not resulted in lower prices of other goods. Nowadays, if you come into our office during lunch time, you're likely to see a group of us eating lunch in the pantry. This is a big change from before, when we used to go out for lunch most days.

With the less-than-stable economic situation worldwide, we've all had to think twice about what we spend on.

Have you been tightening your belt in preparation for lean times ahead, or have you been rushing to buy cheap flights to Australia to take advantage of the low AUD?

Well, whatever you've been doing, another key phrase that should be kept in mind is, "Be prepared!" Here's to hoping that things will stabilize soon!

Fanatically yours,
