Integrity's **monthly newsletter** offering goodies, special offers, tips and tricks, useful articles and latest news about us and our services.

Welcome message from Jek Tan
Chief Eating Officer
TheQGuides.com

Eat to live or live to eat? I live to eat... errrhem... and drink too. This is why I am so lucky to be working with [Fay](#) and [Lisa](#) on multiple F&B related projects. We've had our fingers in lots of pies but have been primarily focusing our energy on the revision of Best Eats KL (a food guide) and developing a food portal called theQguides (which Lisa briefly mentioned in [July 2008](#)). Our little team at theQguides and our extended team at Integrity have been

working very hard and finally we can see the fruits of our labour. Yes... we are ready to launch both the Best Eats KL and theQguides. w00tz!

Having said all that, our journey would not have been half as fun and exciting without the support from our key partners. The two which must be mentioned are the teams at [Carlsberg](#) and [Patchi](#). [Carlsberg](#) injected fun, energy and excitement into our work and [Patchi](#) gave us just the right finishing of sophistication and finesse. Thanks guys. The team at theQguides have nothing but love for you!

So forget your woes of global recession, political uncertainty and dieting for a few moments. One must take breathers from time to time. Spoil yourself and drown your problems with good food paired with the perfect drink. Not sure where? We will tell you... at [theQguides.com](#) .

Fanatically yours,
